FREE HOT TEA

During March 2016, ECfES.org will be providing a free cup of hot tea to readers of Dragibus Magazine at our Public Lending Library @ 44 West 7th Avenue. Please sign in at the front desk and ask for "Dragibus @ ECfES.org"

Tues-Thurs (10am-12pm & 2-4pm)

FREE MONTHLY NEWSLETTERS

Since January of 2016, ECfES.org has been publishing Lane County's first monthly ethnobotanical newsletter. It contains a cornucopia of plant knowledge from experts, insights from the leading edge politics of plant research, local community voices, and medical research of critical importance.

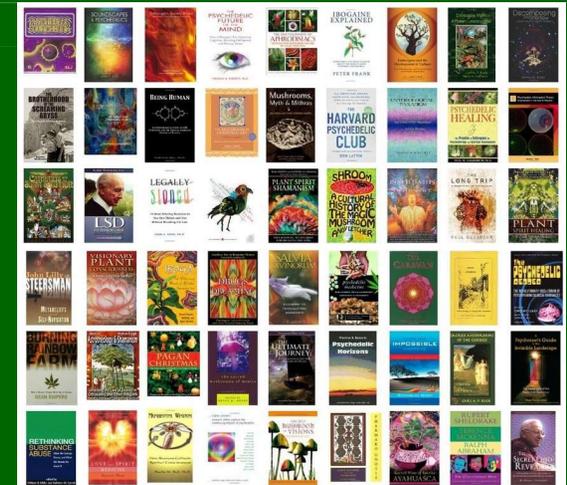

FREE INTEGRATION

Have you had the opportunity to explore with psychoactive plants and substances, but still have questions about your safety, the possible health risks, and the very real legal concerns?

Science Speaks for Itself

We allow the objective data from scientific studies to lead our research & development.

People Speak for Themselves

We follow the subjective reports of the community leading to valid, logical conclusions of "what's next".
